Dear Name:

We would like to thank you for your continued support of the (name of program) as evidenced by your recent donation of (dollar amount: e.g. \$100). Because of your generosity, we are able to further our mission in bettering the lives of children across all of (city/state). We thought that you would be interested in hearing what one mentor had to say about mentoring:

*The young social worker took his turn speaking at the training session. Everyone was talking about the mentors that they had growing up. He spoke up, "My mentor was a co-worker in a company installing wooden floors. We spent a lot of time talking about, well, just about anything. He was the one who told me that I should really think about college."*

*The training instructor acted surprised and she asked, "Was he the first person to encourage you to go to college?"*

*The young man replied, "No, but I really trusted him. I felt like his only reason for saying that was that he wanted what was best for me. And somehow, when he said it, I wanted to do it. So, now, I'm a social worker but I'm also volunteering as a mentor. I guess I'm hoping to give some young person the same encouragement I got."*

Mentors make a difference every day.

Again, many thanks for your support. It means the world to us and all of the children who are able to participate in mentoring programs!

Sincerely,

Name

Executive Director
